

APRIL 8, 2024

THE GREAT NORTH AMERICAN ESCLIPSE

You are cordially invited to join in on viewing the Solar Eclipse on Monday, April 8th at 3:00pm. You will be able to grab a pair of glasses, courtesy of the Weld Free Public Library (WFPL), watch it with us at the top of Center Hill near the Yurt. Refreshments.

A total solar eclipse takes place at the Moon's ascending node between 3:24 to 3: 38pm, lasting about 2 minutes and 24 seconds in Maine, specifically Weld.

FMI: call the WFPL 585-2439
